ABOUT THE EVENT

EDUCATING OUR MEMBERS ON COLORADO TAX LAW CHANGES

As tax professionals, remaining current with our understanding of the tax industry is crucial. The Colorado Tax Law Update is designed to focus on educating our members on state tax law changes. We expect 100 participants between CoSEA and the NATP.

We host many events throughout the year, averaging one per month, most of which we have opportunities for our sponsors to speak. If you opt not to speak, we can still include your logo on promotional materials and recognize your generous contribution during our events.

EVENT OBJECTIVES

Our objectives with our Tax Law Update include:
